

# Request for Issue Advocacy

The Business Advocacy Committee of the Athens Area Chamber of Commerce identifies issues of importance to the business community as well as develops and advances advocacy positions for recommendation to the Board of Directors. One method to identify issues, which impact the business community, is through input provided by our Chamber membership.

If you are a Chamber member and have identified an issue, proposed ordinance, bill, resolution, etc., which may impact the business community, please submit this completed form to the Chamber.

1. Please provide a brief explanation, including which political body or official has responsibility of the issue, and when they are expected to take action.

---

---

---

2. What is the purpose of the proposed action, how does this issue affect the business community, and who will be impacted?

---

---

---

3. What action or position are you requesting the Chamber to take on the issue? State the recommended method of advocacy to influence the desired outcome.
